

Teaching Artist Position
Expression of Interest

VSA Wisconsin contracts with professional artists and educators to deliver arts programs for individuals with a wide range of abilities on an on-going basis. The information provided on the a) Expression of Interest b) Program Map and c) your resume will help us determine the programs best suited to your interests and skills as opportunities become available. Assignments are determined by the teaching artist's level of experience, stated interests, availability, location and arts discipline requested. Submission of these documents does not imply or guarantee a position with VSA Wisconsin.

Teaching artists are contracted limited term employees and must be:

- 18 years of age or older
- Committed to becoming familiar with disabilities and effective methods for differentiating instruction and adapting techniques to reach all learners
- Available to attend VSA Wisconsin trainings when offered or provide evidence of participation in at least one professional development activity
- Able to work collaboratively
